Some of you may have seen the attached article in the Fall *Knightlines*. For those of you who don't belong to the M/THS Association, your class coordinators - Jacky Robin Clyman, Roger Castro, Andy Figueroa, and myself (Vivian Elliott Holler), decided to send this out to everyone as an incentive to attend the *el Grande* reunion being held by the M/THS Association this July in Sacramento.

Our class has a wonderful history within the Association of having one of the highest continuing attendance statistics of any class. We also have a wonderful email group of classmates - probably close to 75% of those classmates whom we have found. We are in almost constant contact with these folks. However we haven't been quite as good about sending hard copy communications out. We want to remedy that while, at the same time, encouraging those of you who have not sent one of your class coordinators your email address to please do so. Those of you who do not have email, please let me know so that I can make sure you get hard copies of important communications concerning our class activities.

So, why are we writing at this time? Why, the *el Grande* reunion that is happening in Sacramento, California, this July, of course! We want all of you to come and we send a special invitation to those of you who have never attended a reunion. We have attached a copy of the reunion registration form, and information, just in case you haven't gotten one. Please note that the sooner you register, the more economical it is!

Attending a reunion for the first time can be a little intimidating. I know how I (Vivian) felt when I attended my first reunion in 1983 in San Antonio. I was afraid no one would remember me and that I wouldn't know anyone else. After all, I wasn't exactly Miss Congeniality in high school - that came later in life! I was so surprised at how many people actually knew me and really seemed glad to see me. The same thing happened in 1990 in D.C. Our class really started to bond again at that reunion - the first of the really big ones - and the phenomenon hasn't stopped. We only have one problem - not everyone has made it to a reunion.

Just to make sure that we have your correct address on file, please let one of us know if we need to correct something. In addition, if you aren't on our email list (meaning you don't get the emails that go out about once a month), please let one of us know. Our land and email addresses are printed above. If you have an email address, please send that information to one of us via cyberspace, otherwise please drop one of us, at least, a line with the information.

We really would like to encourage you to attend the reunion in July. Help us again make the Class of '65 the class with the best attendance, but the main thing is to have YOU there - it won't be the same without you.

If you have any questions, please get in touch with one of us.
